COMMUNITY NEWS

Annual GM Meeting & Election

The Association extends its appreciation to all those who participated in the Annual GM Meeting & Election. Thank you for your time and interest.

Congratulations to Ed Byrnes who was re-elected to serve for another two year term. We thank Ed, as we do all Board members, who volunteer their expertise, energy and time, for serving the wider community. The Association also extends a special appreciation to Glenn Grayson who has served the community for many years as a Board member. Although Glenn is taking a well deserved

rest from the Board he continues to serve the community on the Architectural Review Committee.

Accordingly, at the Board meeting following the Annual GM Meeting the Board elected its officers for the 2014-2015 term as follows:

President—Steve Leakos
Treasurer—Ed Byrnes
Secretary—Robert Larson
Director—Yoshiko Akiyama

Congratulations to everyone involved. We appreciate all that you do.

No Parking Zones & Red Curbs

The Association has received some safety concerns pertaining to certain locations in the common area streets. Pursuant to this the Association is reviewing the possible designation of additional no-parking zones. If an area is designated as a no parking zone the curb will be painted red. The areas under consideration are those in which a parked vehicle may obscure or obstruct a motorist's vision or in some other fashion present a safety issue. **Please also remember that residents are required to park in the garage, then on the driveway, but not on the street.**

Governing Documents & Helpful Rules

The governing documents help to identify responsibilities for Members (Owners) as well as for the Association itself. *Owners are responsible for maintaining an attractive and pleasant living environment. Each owner shall be accountable to the Association for the conduct and behavior of persons residing in or visiting La Jolla Classic.* The rules go on to acknowledge that owners are responsible for providing a copy of the

rules and regulations to their tenants upon signing of a lease. In actuality, to enhance a persons living experience within the community, the tenant should be given a full set of governing documents. Why does this enhance the person's living experience? Quite simply, knowing the rules and restrictions the tenant is less likely to violate the governing documents. Please register your tenant by completing a resi-

dent registration form and sending in a copy of the lease to the Association.

One important rule owners should explain thoroughly to tenants is the parking restriction: *On street parking is for the use of guests only. Vehicles owned or otherwise under the control of Owners and/or residents may not be parked anywhere in the Common Area streets except for short duration loading/unloading operations. No overnight parking of boats or RV's is allowed.* Thanks for your cooperation.

Exterior Alterations & Home Improvements

Although the newsletter has repeatedly carried information pertaining to home improvements and exterior alterations some issues remain. Most owners are aware that La Jolla Classic Homeowners Association has an approved color palate which must be adhered to. The color palate has been approved by Desert Shores. If you want to change any of the colors—body, trim, or even exterior doors—you must submit an architectural application AND receive approval from both La Jolla Classic and Desert Shores BEFORE any work can begin.

The same is true of garage doors. If you are replacing the garage door with the exact garage door...including the identical color...you wont need to submit an ARC application. But if the design of the door or the color changes in any way, you will need to submit an application and obtain approval. Although the ARC process does not normally require the 45 days allowed by the CC&R's, please don't expect immediate approval. It take a little time for the process to work. *Thank you.*
